## EXPERIENCE

### **Matchbox Design Group, St. Louis, MO — *Front End Developer***

June 2021 - PRESENT

Develop and maintain websites and web applications for a variety of customers. Primarily use Sass, Tailwind CSS, Vue, JQuery, and Laravel Blade templating to build custom user interfaces that are pixel perfect to the comp and are responsive. Work closely with clients to resolve bugs or add features in a timely manner.

## EDUCATION

### **University of Arkansas, Fayetteville, AR**

August 2010 - May 2015

Obtained a Bachelors of Science degree, majoring in Supply Chain Management and Minorng in Information Systems.

## PROJECTS

### **Colorado White Water Rafting Co.**

Built a front end for a Colorado rafting company using custom CSS, Sass, and Vanilla Javascript.
